

RETRACTED CHAPTER: Leadership Communication for Crisis Network Coordination During “PPKM” Using Social Network Analysis Method

Pipit Fitriyah^(✉), Andre Noevi Rahmanto, Ismi Dwi Astuti Nurhaeni,
and Drajat Tri Kartono

Universitas Sebelas Maret, Surakarta, Indonesia
pifitriyah@gmail.com

The Volume Editors have retracted this chapter because due to a mistake in production it has been inadvertently published in the same volume twice - as chapter 26 and chapter 13 [1]. This chapter is therefore redundant. The duplicated content has been removed from this chapter and replaced with the content as originally intended as last chapter [2].

We apologize for the inconvenience caused. The authors agree to this retraction.
