Some of the articles (13) in this proceedings volume have been presented at the [*International Conference on Emerging Trends in Business & Management (ICETBM 2023)*] during [*24th & 25th February 2023*] in [*SSN School of Management, Kalavakkam, India*] and remaining articles (23) was presented through virtual platform. These articles have been peer reviewed by the members of the [*Scientific Committee*] and approved by the Editor-in-Chief, who affirms that this document is a truthful description of the conference's review process.

1 Review Procedure

The reviews were [*double-blind*]. Each submission was examined by [*at least 2*] reviewer(s) independently.

[*The conference submission management system was Easychair.*]

[The submissions were first screened for generic quality and suitability. After the initial screening, they were sent for peer review by matching each paper's topic with the reviewers' expertise, taking into account any competing interests. A paper could only be considered for acceptance if it had received favourable recommendations from the two reviewers.]

Authors of a rejected submission were given the opportunity to revise and resubmit after addressing the reviewers' comments. The acceptance or rejection of a revised manuscript was final.]

[*Pre-conference online workshop on Writing Research Paper was conducted. The focus of the workshop is to learn the process of using the template correctly and citing references with the help of referencing software like mendeley and zotero.*]

2 Quality Criteria

Reviewers were instructed to assess the quality of submissions solely based on the academic merit of their content along the following dimensions:

1. Pertinence of the article's content to the scope and themes of the conference;
2. Clear demonstration of originality, novelty, and timeliness of the research;
3. Soundness of the methods, analyses, and results;
