All of the articles in this proceedings volume have been presented at the International Conference on “Changing of Law: Business Law, Local Wisdom and Tourism Industry” (ICCLB 2023) during 22 July 2023 at Trisakti University, 24 July 2023 at Indonesian Muslim University, and 26 July 2023 at Warmadewa University. These articles have been peer reviewed by the members of the reviewers and approved by the Editor-in-Chief, who affirms that this document is a truthful description of the conference’s review process.

1 REVIEW PROCEDURE

The reviews were single-blind review. Each submission was examined by 2 reviewer(s) independently.

The conference submission management system was <https://confbeam.net/2023/icblt/kfz/>.

The submissions were first screened for generic quality and suitability. After the initial screening, they were sent for peer review by matching each paper’s topic with the reviewers’ expertise, taking into account any competing interests. A paper could only be considered for acceptance if it had received favourable recommendations from the two reviewers.

Authors of a rejected submission were given the opportunity to revise and resubmit after addressing the reviewers’ comments. The acceptance or rejection of a revised manuscript was final.
