All of the articles in this proceedings volume have been presented at the *1st International Conference Da'wah and Communication Disruption Era 5.0 (ICDCDE)* during 3-4 May 2024 in *Marianna Resort Hotel, Samosir Island, Lake Toba, North Sumatera, Indonesia*. These articles have been peer reviewed by the members of the *double blind review* and approved by the Editor-in-Chief, who affirms that this document is a truthful description of the conference's review process.

### 1. PEER REVIEW PROCESS

All articles submitted to the journal are *subject to strict, editorial review and double-blind peer review*. We send articles to the subject experts and take their objective opinion on the quality of content, article structure and language correctness. All manuscripts are reviewed in fairness based on the intellectual content of the paper regardless of gender, race, ethnicity, religion, citizenry nor political values of the author(s).

Any observed conflict of interest during the review process must be communicated to the Editor.

Final decision of articles acceptance will be made by Editors according to reviewers comments. Publication of accepted articles including the sequence of published articles will be made by Editor in Chief by considering sequence of accepted date and geographical distribution of authors as well as thematic issue.

The following are the most common decisions:

- 1) Accept without any changes (acceptance): the journal will publish the paper in its original form;
- 2) Accept with minor revisions (acceptance): the journal will publish the paper and asks the author to make small corrections;
- 3) Accept after major revisions (conditional acceptance): the journal will publish the paper provided the authors make the changes suggested by the reviewers and/or editors;
- 4) Revise and resubmit (conditional rejection): the journal is willing to reconsider the paper in another round of decision making after the authors make major changes;
