The event aims to promote traditional Chinese culture, showing the latest achievements in the past five years, the National gourd Siba Wu playing creative work, to further promote the popularity and prosperity of the country gourd Siba Wu artistic career. Selected activities in response to the country has been widely gourd Siba Wu arts, but also received strong support from the community and the China Nationalities Orchestra Society, and other units. This activity on the development of Hulusi, Bau music has had a profound impact. Hulusi produced a number of outstanding works and also produced a number of outstanding Hulusi musicians such as Weishi Jian, Zhang Xiao, Wu Qilin, Sun Kaicheng, these works and these emerging Hulusi Hulusi music composer is music to today the performance of prosperity and witness.

Hulusi country, Bau Society have also carried out a number of other activities, such as organizing teaching training, theory seminars, Forum, etc. These activities undoubtedly also reflects the Hulusi, Bau Hulusi Music Society in the development process an important role.

Significance of Hulusi Bau society for Hulusi music's development

Cultural transmission and development of various regions

Hulusi, Bau Institute can establish provinces Flute music lovers to organize, enhance mutual understanding and exchanges, healthy and beneficial activities to better make positive efforts and contributions to the development and prosperity of the provincial culture and art, while the provinces Hulusi Art next level.

Carry forward Chinese culture of excellence

Hulusi, Bau music not only permeated with thousands of years of cultural connotation, but also has a distinctive ethnic characteristics and strong ethnic style. Whether it is sound, or the external structure have a high aesthetic value. Also because of its unique cultural characteristics of ethnic sounds and folk music to become the brightest spot in the garden of renowned throughout the world. For example: Dehong in Yunnan Hulusi, Bau Association inaugural meeting, Dehong CPC Standing Committee, propaganda minister Li Yanlan speech at the inaugural meeting, she noted, "Hulusi is Dehong most representative of the many arts and culture of folk musical instruments, Hulusi, Bau Society, is an important carrier and platform Hulusi Hulusi cultural and artistic development and prosperity and development of cultural industries, but also an important force to promote national culture and building a strong state useful supplement, the state commission, the state government guide the establishment of gourd Siba Wu Society, and as an important way to accelerate the pace of development of cultural industries, promote cultural development and prosperity, is conscientiously implement the party's seventh session of the Sixth Plenary Session, the provincial Ninth Party Congress and state Sixth Party Congress spirit of specific initiatives; heritage protection is Hulusi arts and culture, promote the need for excellent national culture and arts; Hulusi is to promote the sustained and rapid development of cultural industry needs. "[2].

Since Hulusi levels, Bau Society was founded, through active development of members, greatly promote the spread of Hulusi, Bau artistic development, it is also in response to the establishment of the country Hulusi, Bau lovers of learning requirements, better promote the gourd silk, Bau musical development. It not only enhance the Hulusi, Bau position in China and internationally, but also for the revitalization of the Chinese nation and carry forward the traditional culture, heritage, development of the motherland minority instrumental foundation, the vast Hulusi, Bau spirit musicians and lovers homes for Flute music culture heritage and development has played a pivotal role.
